

Discover the Perfect Start for Your Child

Looking for international Preschool education in Groningen?

Welcome to our bilingual SKSG Preschool! In our inclusive learning environment, children aged 3 to 4 from diverse nationalities come together to play and learn in a fun and welcoming atmosphere. Watch as they grow smarter, understand the world better, and speak confidently in two languages. Our program helps children appreciate different cultures, do well in school, and brings families closer together. Come and discover our bilingual education!

Our Curriculum

Our preschool curriculum is developed in collaboration with the Groningse Schoolvereniging (GSV) and is managed by experienced teachers from GSV and SKSG. It follows the Early Years Foundation Stage (EYFS) from the English National Curriculum, focusing on literacy, numeracy, music, physical education, and social-emotional development. This comprehensive curriculum is designed to engage and inspire children with activities that are both fun and educational. From interactive stories and playing with letters and numbers to regular music and gym sessions, our program supports every aspect of your child's development.

Bilingual Education

Our bilingual preschool program is unique in Groningen and consists of 50% Dutch and 50% English. This gives your child the opportunity to develop skills in both languages. This unique approach not only enhances communication skills but also prepares your child for a global future.

A Warm, Homely Atmosphere

Our professional, caring teachers create a loving and respectful environment where every child feels valued and supported. Your child will quickly feel part of our friendly 'family', making friends, learning, and having fun. Additionally, our large outdoor space offers a fantastic play area for children to explore and enjoy.

Four Mornings a Week

SKSG Preschool is open on Monday, Tuesday, Thursday, and Friday mornings from 8:00 am to 1:00 pm. All children must attend at least two mornings per week. For wednesdays and afternoons we provide daycare at SKSG DoReMi. They will pick up the children from SKSG Preschool using a cargo bike.

Het mooiste wat je kunt worden, is jezelf!

When a child turns 4, they will make a smooth transition to the International Primary School, the bilingual department of GSV, or elsewhere.
